DISCLAIMER

The American International University West Africa (AIUWA) School of Medicine, West Africa Campus conducts all professional courses and is located in the Gambia.

The University is NOT located in Texas and is not authorized to operate in Texas.

AIUWA has its charter and accreditations from the Government and African accreditation body.

Each state in the United States has different licensing requirements for international medical graduates.

Applicants, students and graduates are encouraged to contact the licensing boards for up date requirements and restrictions.

All countries have their own regulations for licensing of foreign medical graduates, therefore applicants, students and graduates are encouraged to contact licensing authorities of the country for which they seek licensing and check for requirements and restrictions in relation to licensure.

I certify that the information submitted is complete and accurate to the best of my knowledge.
